To Whom It May Concern,

I am pleased to recommend Tan Xin Wei, who completed an internship with Landesbank Baden-Württemberg (LBBW) within our Financial Markets Sales team, focusing on Flow Credit and Schuldschein (SSD) distribution.

During her internship, Xin Wei demonstrated strong analytical ability, attention to detail, and a genuine interest in global financial markets. Xin Wei supported the team across a range of activities, including contributing to live transaction processes, preparing investor-focused materials, and supporting broader client engagement initiatives.

What particularly distinguished Xin Wei was the ability to quickly understand market dynamics and translate complex information into clear, structured and actionable outputs. She operated effectively under time pressure and progressively took on greater responsibility, including supporting deal execution processes and coordination across multiple stakeholders.

Xin Wei also demonstrated strong initiative and commercial awareness, contributing meaningfully to the refinement of client materials and broader team activities. The combination of a solid technical foundation and a proactive, results-oriented approach made Xin Wei a valuable member of the team.

I am confident that Xin Wei has the skill set, work ethic, and mindset to succeed in a demanding front-office environment within Global Markets, and I strongly recommend Xin Wei for future opportunities.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely,

Dr. Anna Tea
